

THE OXFORD UNIVERSITY HIV/AIDS STUDENT WORKSHOP

**2 December 2009, 12.30 – 4.30pm
Wolfson College, the Buttery**

**Presented by: The Centre for AIDS Interdisciplinary Research at Oxford (CAIRO)
The Department of Social Policy and Social Work, the Division of Public Health
Primary Care, and Wolfson College**

This workshop will include

- **Professor Harold Jaffe: The future of HIV/AIDS**
- **Dr Lucie Cluver: Fieldwork issues specific to HIV/AIDS research**
- **Focused discussion and problem-solving for student research studies**
- **Networking between students working on similar issues in different departments**
- **An opportunity to raise issues and concerns in our research and fieldwork**
- **Brief student presentations and friendly feedback sessions**

Places for this workshop are limited. If you are interested in attending or presenting, send an email titled 'HIV Workshop' to:

**mihyung.park@socres.ox.ac.uk
or lucie.cluver@socres.ox.ac.uk**
